

Engr. Gbenga Kuye
Director

team.

Gbenga Kuye is an innovative, accomplished, results oriented Banker/Finance Professional, Engineer and a seasoned Administrator with a First Class degree in Chemical Engineering from the University of Lagos, Nigeria. He is also a graduate of the Citigroup Executive Leader Programme from the Centre for Creative Leadership London, United Kingdom and United Nations Development Organization (UNIDO) Institute of Capacity Development's Global Executive Programme in Australia.

He began his career with the Citibank Nigeria and rose to the position of Vice-President for Operations and Technology and Deputy

Managing Director in Citibank Cameroon. He later moved to United Bank for Africa

where he was General Manager/Chief Operating Officer before becoming an Executive

Director with Ecobank Nigeria Plc and then the Group Head, Group Shared Services for

Ecobank Transnational Incorporated (ETI), the parent company of Ecobank Nigeria with

presence in 36 African countries and representative offices in China, Dubai, France and

United Kingdom. He also served in the Public Sector space as the Managing

Director/CEO of Nigeria Processing Zones Authority (NEPZA) with direct responsibility

for Foreign Direct Investments (FDIs) in Nigeria and also providing regulatory oversight

function for the Special Economic/Free Zones in the country. During this role, he

facilitated the construction/development of the Lekki Deep Sea Port in Lagos Free

Zone, the construction/development of Africa's biggest Refinery in Lekki Free Zone, the

first ever local construction of the Floating Production Storage & Offloading (FPSO) unit

in LADOL Free Zone amongst other key initiatives. He also served as a key member of

the Transition Committee during the change of Government in Nigeria in 2015.

Mr Kuye has attended world class trainings locally and Internationally and is a member

of the Chartered Institute of Bankers, Nigerian Society of Engineers and the Institute of

Directors.
